

Site Safety Awareness in the Extracting and Mineral Processing Industries A course leading to the MPQC Driver Skills Card (EPIC)

Who should attend?

For drivers who:

- ⚙️ Are required to hold the MPQC Drivers Skills Card (EPIC)
- ⚙️ All drivers of Tippers, Truckmixers and Tankers
- ⚙️ Applies to all types of vehicles

Aims

To provide individuals with:

- ⚙️ An increased awareness of safety, health, and environmental issues at work
- ⚙️ The encouragement of safe behaviour during the collection and delivery of quarry materials and products
- ⚙️ To increase drivers attitude to unsafe acts

Content

The course includes (but can vary accordingly):

- ⚙️ Preventing workplace accidents
- ⚙️ Dealing with conflict and challenging behaviour
- ⚙️ Accident reporting
- ⚙️ Personal protective equipment (PPE)
- ⚙️ Vehicle pre-start checks
- ⚙️ Safe driving behaviour
- ⚙️ Vehicle access and egress
- ⚙️ Site hazards
- ⚙️ Entering and leaving customer sites
- ⚙️ Environmental issues
- ⚙️ Vehicle-specific hazards

Number of delegates: minimum 6, maximum of 20*

* - NB on public courses a maximum of 10 attendees are permitted per employer/company

Duration and delivery: 1 day

Based in a training room the day is packed full of a number of interactive activities that are combined with a number of blended learning techniques leading to an extremely thought provoking and highly stimulating day. It tackles a number of core communication skills which will help an individual become more confident and effective in the workplace.

- ⚙️ Short lectures
- ⚙️ Demonstrations
- ⚙️ Group discussions
- ⚙️ Interactive exercises
- ⚙️ At the end of the course attendees must take an assessment under exam conditions and achieve a pass rate of 80% to be awarded the MPQC Driver Skills Card.

Successful completion of the course leads to a **MPQC Driver Skills Card** valid for 5 years from date attended on course.
